

CITY OF MANCHESTER

Theodore L. Gatsas

Mayor

August 5, 2014

The Honorable Board of Aldermen
One City Hall Plaza
Manchester, NH 03101

RE: Nominations

Dear Members of the Board:

Pursuant to Section 3.14 (b) of the City Charter, please find below the following nominations:

- (1.) David Nixon to succeed Richard Bunker (term-limited) as a member of the Police Commission term to expire September 15, 2017;
- (2.) Eva Castillo-Turgeon to succeed herself as a member of the Police Commission term to expire September 15, 2017;
- (3.) Rosemary Caron, PhD, MPH to succeed herself as a member of the Board of Health term to expire July 1, 2017;
- (4.) Thomas Puthota to succeed Craig Langton (resignation) moving from an alternate to full member of the Board of Adjustment (Zoning Board) term to expire March 1, 2015;
- (5.) Nicholas Golon to succeed himself as a member of the Conservation Commission term to expire August 1, 2017;
- (6.) Peter Capano to succeed Gregory Duval (term-limited) as a member of the Conservation Commission term to expire August 1, 2017;
- (7.) Karen Rose to succeed Edgar Bourgeois as a member of the Conservation Commission term to expire August 1, 2017;
- (8.) Joseph T. Gallagher to succeed Robert Blaisdell as a member of the Parks, Recreation and Cemetery Commission term to expire July 1, 2017;

(9.) Bernard Perry to succeed himself as a member of the Board of Registrars term to expire May 1, 2017;

(10.) Scott Green to fulfill a vacancy as an alternate member of the Heritage Commission term to expire July 1, 2015.

These nominations will layover to the next meeting of the Board pursuant to Rule 20 of the Board of Mayor and Aldermen.

Regards,

A handwritten signature in cursive script that reads "Ted Gatsas".

Hon. Theodore Gatsas, Mayor
City of Manchester
One City Hall Plaza
Manchester, NH 03101

Dear Mayor Ted,

I'm glad to see, read, and hear, of your fast recovery from your bypass surgery.
You're doing a better job than I did.

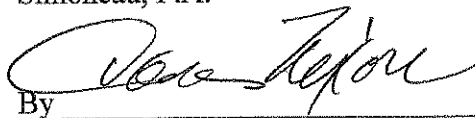

Last year we talked about my serving on the Manchester Police Commission. I would
still very much like to do so, and hope you haven't forgotten me.

Will you kindly let me know as soon as possible.

Believe me, I can do the job; and I've long admired good law enforcement officers and
programs and Manchester has them.

Thanks, and kindest regards,

Nixon, Vogelman, Barry, Slawsky and
Simoneau, P.A.

April 25, 2013

APR 29 2013

Hon. Ted Gatsas, Mayor
City of Manchester
One City Hall Plaza
Manchester, NH 03101

Dear Mayor Ted,

As requested, enclosed please find some biographical data.

My interest in the Police Commission derives from the facts that: (1) when I was a kid in high school my father was overseas in the Army/Air Force, and I, and a couple of my friends, had a habit of having trouble with the law through throwing rocks through green houses, street lights, setting fires on Halloween, pegging tomatoes at police cruisers, etc., (2) when my Dad came back from Guadalcanal as a Major in the U.S. Army Air Force in 1946, he became Commander of the local American Legion Post and set up a group called American Legion Auxiliary Police and they would assist the local police department on shopping nights (Mondays and Thursdays in Leominster in those days).

I was always treated fairly by law enforcement officers; I think they are a dedicated group who sacrifice much for the good of the whole; and often are not reasonably rewarded.

For instance, during the 37 years when I served as Town Moderator in New Boston, inevitably at Town Meetings anything and everything the Fire Department wanted the folks would pass; but if the Police Department wanted so much as a new flash light; there would be an hour long debate!

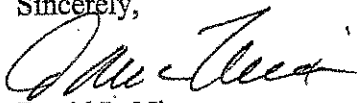

In addition to the blah, blah, about me enclosed, I also (1) was awarded a Good Samaritan Award by the Caregivers (you were there), (2) I was honored this past year with the Chief Justice Frank R. Kenison Award for contributions to the public and profession of law, and (3) I was awarded the New Hampshire Bar Association's highest

award for service to poor people, specifically abused women and children, on a pro bono basis.

But, by the way, my interest in this position is not so strong that I would want you to dislocate any existing Democrat member for my benefit. Fern Gelinis, who I believe is the Chairman, is a fine, fine, gentleman and a dear friend. I wouldn't want him hurt at all.

Thank you for your courtesy and consideration, and all good wishes to you for continued professional success, and personal fulfillment and enjoyment, and good health!

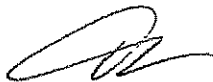

Sincerely,

David L. Nixon

DLN/bbw

P.S. Congratulations, on running for Mayor again, I would be pleased to support you, as promised, although I'm not a millionaire, as you know.

Department Head: Kim Demers

David L. Nixon

David L. Nixon graduated *cum laude* from Wesleyan University in 1953, as President of his class and football co-captain. After volunteer service in the U.S. Army during the Korean War, he attended, on the GI Bill and VA disability benefits, the University of Michigan Law School, attaining his LL.B. in 1959; he also served as President of his class and was a member of the Baristers Honor Society.

He served as New Boston Town Moderator for 27 years, as a Representative to the New Hampshire House of Representatives 1969-1970 (Outstanding First Year Legislator in 1969), then two terms in the New Hampshire State Senate, as Chair of the Senate Judiciary Committee, and as President of the Senate during 1973-74. He also served as a Delegate to the 1984 New Hampshire Constitutional Convention and the 1976 Republican National Convention. He became a Democrat in 1986 and served in the Legislature, again, during 2010-11, where he filed legislation to assist citizens and consumers in New Hampshire, with respect to the legal and judicial process.

He also served as President of the New Hampshire Bar Association, the Manchester Bar Association, the New England Bar Association, and the International Society of Barristers. He is a member of the American Association for Justice, the New Hampshire Association for Justice, the Inner Circle of Advocates, the Million Dollar Advocates Forum, and the American Trial Lawyers Association. He has been voted by New Hampshire lawyers as one of the best lawyers in America, and one of New Hampshire's best lawyers, for more than 20 years.

He serves as Secretary of the Joe Yukica/New Hampshire Chapter, National Football Foundation, which awarded him its Distinguished Citizen Award in 2000. He was nominated by the Governor of New Hampshire to serve as the first Chair of the New Hampshire Executive Branch Ethics Committee. A former law partner of the late Governor John W. King (who later served as Chief Justice of the New Hampshire Supreme Court), Attorney Nixon has been admitted to practice before the New Hampshire Supreme Court, the United States District Court for New Hampshire, the U.S. Circuit Court of Appeals, and the United States Supreme Court. He has also been certified as a Civil Trial Advocate by the National Board of Trial Advocacy.

He is a Life Member of the American Legion and Disabled American Veterans, has served as Commander of Sweeney Post No. 2, American Legion, and is presently Judge Advocate of that Post. He was honored by the Hillsborough County Law Enforcement Association for serving as its Scholarship Chair for 40 years. For many years, Attorney Nixon has served as a volunteer DOVE attorney, representing, *pro bono*, abused women and children seeking protective orders in the courts, for which he was recently honored by the New Hampshire Coalition Against Sexual and Domestic Violence. His trial experience involves personal-injury matters of all kinds, including automobile collisions, medical malpractice, product liability cases, and general trial law.

How to Pick a Lawyer

Before you hire any lawyer, even one of us, you should carefully evaluate that potential hire. After all, he or she will work for you. Based on some findings from several top legal researchers, here are some things to ask yourself:

1. How were you greeted? Did you feel welcomed into the office? It's important to like your lawyer and his staff; you'll be seeing a lot of each other.
2. Did the lawyer listen to you? A lawyer who doesn't listen doesn't know your needs, and he's missed important facts.
3. After listening, does the lawyer make you feel confident in his ability and comfortable as a person? It's natural to be nervous, even scared, when you first meet with a lawyer about a potential case, but the right lawyer should put you at ease.
4. Would you refer this lawyer to a friend? This is the big test. If, after meeting a lawyer, you wouldn't recommend him to your mother, why would you hire him?

If, after meeting with us, you feel we've answered these questions well, we hope you'll allow us the honor of representing you. If we've failed in some way, please let us know; we do want to do better. In any event, *thanks* for reading this.

*"Stand with anybody that stands right.
Stand with him while he is right, and
part with him when he goes wrong."*

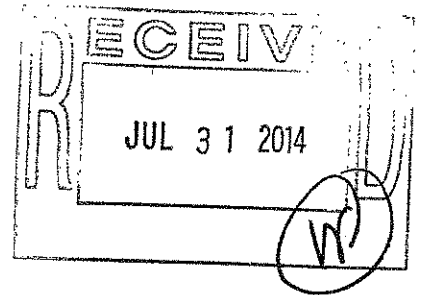

—Abraham Lincoln

Manchester July 30, 2014

Honorable Mayor Ted Gatsas

1 City Hall Plaza

Manchester NH 03101

Dear Mayor Gatsas:

I hope this letter finds you well. I am writing to express my interest in being reappointed to serve as Manchester Police Commissioner for another term. My present commission is set to expire September 15, 2014.

I have served the Commission with great pride and commitment and would like the chance to continue serving it again.

Respectfully yours,

Eva Castillo-Turgeon

EVA CASTILLO-TURGEON

SKILLS

Bilingual/bicultural in Spanish-English, ability to interact with people from different backgrounds and cultures, experience organizing and conducting actions and workshops, public speaking. Facilitator. Legal/medical interpreter/translator.

EXPERIENCE

2007-present Organizer NH Immigration Project, Manchester, NH

Advocacy and training for immigrant and worker rights. Leadership training. Community organizing. Develop and implement campaigns to protect employment and civil rights of NH immigrants and refugees. Outreach to the community. Education about immigrant and minority issues and the immigration process and policies. Non-Partisan civic engagement and education of Latino voters. Interpretation in labor issues, hearings at the Department of Labor, and client/attorney communications. Resource referral. Citizenship classes. Immigrant integration.

2000-2006 Outreach/Interpreter-Translator Latin American Center Manchester, NH

Job development, workers education and training. Employment and workers compensation workshops. PROFESSIONAL SUMMARY

An accomplished Information Services professional with 22 years experience in bringing cutting-edge technology to corporate clients. Areas of expertise include project management, strategic planning, data architecture, meta data, systems analysis, systems development, data warehousing, Oracle ERP applications, and rapid-prototyping methodologies.

EDUCATION

Master of Computer Applications(MCA), St. Joseph's College, Tamil Nadu, India
Bachelor of Science(B.Sc) in Mathematics, Loyola College, Tamil Nadu, India

EXPERTISE

- ***Application Development(Analysis, Design, Programming)***

Analysis - Gather requirements, develop specifications/prototypes documents(analysis, conceptual, & detail design)

Database Architecture - Establish logical and physical schema designs and develop ER diagrams using ERWIN, Designer/2000, S-Designer, and Power Designer. Develop database triggers, stored procedures, packages, functions, and views for ORACLE database systems.

Development - Develop various business applications using languages/tools Developer 2000/6.00(Oracle*Forms, Oracle*Reports, PL/SQL, PRO*C), SQL Navigator, Toad, SQL Lab, RapidSQL, C, C++, Fast Formula, PowerBuilder, XML, HTML, JavaScript. Basic, FoxBASE, FTP, BLAST, Unix/Awk/Perl Scripting, Control-M. Customize & Implement Oracle HRMS application.

- ***Project Management/Technical Leadership***

Manage fast-paced project life-cycle environments following strict project management guidelines. Provide technical assistance, career guidance(mentoring, coaching) to team members in all aspects. Write project documentation (project charter, project plan, budget, risk mitigation strategy)

- ***Data Warehousing***

Design and implement data warehousing solutions. Design data marts, develop ETL(Informatica, PL/SQL), and configure metadata.

- ***Database administration(Oracle)***

Install/Upgrade database systems; configure instances, create snapshots; tune performance; develop and schedule database backup/restore and maintenance scripts; create tables, indexes, constraints, triggers and stored procedures; design/set database object roles and privileges; database repair and problem analysis using DBA tools.

- ***System administration***

Install, configure, maintain, tune, and problem resolution experience on various operating systems including Unix systems(AIX, SOLARIS, HP-UNIX, IRIX, SCO UNIX), NETWARE, and DOS. Excellent in developing Shell Script/Awk/Perl programs.

PROFESSIONAL HISTORY

Fidessa, Since Jul 2009 till date

State of NH, Tech Lead, Jan 2008 to Jul 2009

Fidelity Investments Company : Sr. Project Manager, Oct 2001 to Nov 2007

PricewaterhouseCoopers : Principal Consultant, May 1998 to July 2001

TATA Infotech Limited : Senior Lead Analyst, October 1995 to April 1998

DCM Data Systems : Systems Engineer, February 1992 to October 1995

SAM Consulting Services : Programmer, August 1991 to February 1992

Audco India Limited : Programmer, June 1990 to July 1991

PROFESSIONAL EXPERIENCE

Fidessa

- Senior Technical consultant responsible for implementing various Buy-side Fidessa products including Compliance, Order Management, and Portfolio Management products.

State of NH

- Technical lead in designing & implementing application security on Lawson products including Financial, HR, and Payroll systems.

Fidelity Investments Company

- Implement Oracle HRMS and Payroll applications to various clients of Fidelity
- Develop HR/Payroll/Time Keeping/Recruitsoft reports using Oracle developer tool
- Project Lead/Technical lead in designing & implementing Data warehousing solutions to several Fidelity Clients
- Enhance Ad-hoc Reporting architecture to meet the growing business needs
- Discover & document requirements for Ad-hoc Reporting, design Data marts, develop ETL, and configure metadata
- Provide Project Management/Business Analysis/Data Analysis/Client Relationship Management services to Fidelity Investment Management Services of FMRCo. Projects are related to security setups required for trading, benchmarking, and researching purposes. Specifically, involved in providing technology solutions in acquiring security reference data (related to bonds, stocks, mutual funds, derivatives, swaps etc.,) from external vendors, maintaining the data in a local database, and distributing the data to the internal clients (Fixed Income, High Income, Equity, Compliance, Performance Attribution etc.,).

PricewaterhouseCoopers

- Team lead in Reverse Engineering Portfolio Investment Management System (PIMS) for Zurich Scudder Investments. Involved decomposing source code by component, documenting findings(ER diagram, Process Flow Diagram, Data Flow Diagram), developing knowledge of PIMS system, and posting findings to the client's intranet web site.
- Managed Elderly and Adult Services (DEAS Options) project for the State of New Hampshire. Conducted discovery sessions, designed data model(logical & physical), delegated and coordinated activities of project, and developed application using Oracle 8i, PL/SQL, PowerBuilder, Harvest, ERWin, Visio, and UNIX.
- Managed Road Toll application project in enhancing Character User Interface to Graphical User Interface for the Dept of Safety, NH. Reverse engineered the existing data model, enhanced the design, installed & configured database, and optimized queries using Oracle 8i, PL/SQL, Developer/2000, Designer/2000.
- Senior DBA in implementing Web OrderManager product for various clients of SpaceWorks, an alliance partner of PwC. Specifically involved in designing the database(logical & physical) using ERWin, building data loaders, configuring database using Oracle 8i/PL/SQL/SQL Loader.
- Developer in deploying data entry screens on the Intranet using Oracle 8i RDBMS, PL/SQL, and Developer 6.0(Forms, Reports) for an agency that engaged in providing mental health, mental retardation, and substance abuse services to the community. Designed and Developed the Security Tool at the application level.
- Tech lead in migrating Electronic Data Interchange (EDI) Application from SCO platform to an AIX platform for CIGNA, a leading Health Insurance Company. The project involved extensive Shell Scripting using the tools Korn Shell, BLAST Software, FTP, and UUCP. A part of this project included testing Y2K compliance of different versions of Sybase products.
- Lead Analyst to research and propose security tools(COPS(Computer Oracle Password System), Tripwire, and Crack) needed to protect IT environment for CIGNA. Automated the process to identify loopholes such as weak password and notify the system administrator.

TATA Infotech Limited

- Lead Analyst and DBA in developing Accounting Contributions Tax System for the state of NH. Specifically involved in gathering & documenting requirements, designing the application (conceptual & detail design), designing logical and physical database, and developing the code using Power Designer 6.0, PowerBuilder, and Oracle RDBMS.

- **Lead Oracle DBA/UNIX Administrator** in providing support to various clients of TATA Infotech Limited. Provided Infrastructure Architecture solutions to the internal sales team and to the clients directly.
- **Lead Analyst** in providing infrastructure architecture solutions to a leading Transportation Company. Identified IT needs(Application & System Software, Hardware, Networking), Estimated the overall cost of the project, and submitted detailed analysis report.

DCM Data Systems

- **Lead Oracle DBA/UNIX Administrator** in providing support to various clients of DCM Data Systems. Provided Infrastructure Architecture solutions to the internal sales team and to the clients directly. Performed pre-sales activities for various clients.
- Developed Stores System using Oracle products for a leading Software Company in India. The application provided an efficient system of stock maintenance and consisted functions such as indenting, receipts, and issues.

SAM Consulting Services

- Developed, Tested, and Implemented the Chit Fund System for a leading Finance company in India. The application has been developed in an Oracle environment using tools including SQL Forms, SQL Reports, and SQL Plus.

Audco India Limited

- Analyzed, designed, and developed Tool Inventory System using Foxbase. The primary functions included tools codification, preparation of GRN, inspections, tools receipts, tools issues, and stock adjustment
- Designed and Developed the Personnel Information System using Oracle products.

Training

- Successfully completed E-Business Infrastructure Core Technologies training. Training provided a broad understanding of Infrastructure needs to resolve system, technical, and configuration problems related to E-Business.
- Successfully completed Introduction to Netscape/iPlanet Server Infrastructure for e-Commerce Applications. The course provided a broad understanding to install and configure Netscape Console, Administration Server, Directory Server, Messaging Server, Enterprise Server, Delegated Administrator, and Certificate Management System.
- Successfully completed the training on Fundamentals of Successful Project Management, Power Designer 6.0, Function Point Analysis.

TECHNICAL CAPABILITIES

Languages / Software

RDBMS : Oracle 8i, Sybase

Development Tools : Developer 2000/6i (Oracle*Forms, Oracle*Reports), PL/SQL, PRO*C, Fast Formula, Brio, Informatica, Control-M, C++, C, XML, HTML, JavaScript, Basic, FoxBASE, FTP, BLAST, Unix/Awk/Perl Scripting, BRIO, RapidSQL

Design Tools : Designer 2000, Power Designer, S-Designer, ERWin

Web Server : iPlanet Web Server

Products : Sentinel Compliance, Minerva Order Management, Tesseract Portfolio Management, Oracle HRMS 11i, Oracle Advanced Benefits(OAB), Order Manager (Spaceworks) Netscape Products(Directory Server(LDAP), Messaging Server, Certificate Server, Delegated Administrator, iPlanet Web Enterprise Edition)

Hardware & Operating Systems :

AIX Release 2 Ver 4, SOLARIS, HP-UNIX, IRIX, SCO UNIX, NETWARE, DOS, AXIL SPARC SUN COMPATIBLES, UNISYS SMP/U6K SERIES, SILICON GRAPHICS INDY SERIES, IBM RS6000, HP 9000, DEC Alpha 8400

Re: Request for Nomination to Conservation Commission

Dear Mayor Gatsas,

It has been my pleasure to serve on the Manchester Conservation Commission for the past year. I became a member of the Commission in September of 2013 to fill in for a prior member who left the Commission. My term will expire on August 1, 2014. I write to request a nomination to the Commission for my second term. I would greatly appreciate it if the nomination could be taken up at the next meeting of the Board of Mayor and Aldermen, on August 5, 2014.

Please find my resume attached to this letter. Please feel free to contact me, either by phone at 603 345-0920 or by e-mail at ngolon@tfmoran.com. Thank you for your consideration.

Sincerely,

NICHOLAS C. GOLON, PE
Senior Project Manager

EXPERIENCE

Mr. Golon serves as a Senior Project Manager for TFMoran Inc. and is responsible for the management, engineering design and permitting of land development projects. He has experience in site planning, drainage design, sewer design, and local, state and federal permitting for residential, commercial, industrial, municipal and energy projects.

Selected project experience includes:

- **PSNH, Merrimack Station Clean Air Project, Bow, NH:** Project Manager responsible for site design and state and local permitting for the Phase I, site preparation stage of this \$450 million project to construct a flue gas desulfurization scrubber on this PSNH coal-fired power plant. Details of Phase I include access and security improvements, creation of parking and lay-down areas, stormwater management design, grading design, septic design and creation of an integrated construction Storm Water Pollution Prevention Plan (SWPPP) prior to the Station upgrades proposed in Phase II of the project.
- **Ritchie Bros. Auctioneers, New England Auction Site, Hooksett NH:** Site Plan and permitting for Industrial Equipment Auction Site. Responsible for management and design in overseeing Industrial land development project. Design tasks include site layout, grading, drainage, Storm Water Pollution Prevention Plan (SWPPP), and local, state and federal permitting.
- **Goudreau Associates, Somersworth, NH:** Site Plan and permitting for 14,000sf Somersworth Police Department. Responsible for management and design in overseeing multidiscipline municipal project. Design tasks include site layout, grading, drainage, sewer, and local permitting.
- **Abingdon Square, Goffstown, NH:** Site Plan and permitting for a mixed-use development consisting of 36,000sf of retail space and five residential condominium buildings. Responsible for management and design in overseeing multidiscipline mixed-use project. Design tasks include site layout, grading, drainage, sewer, local, state and federal permitting.
- **Exel Inc, New Hampshire State Liquor Commission Warehouse, Bow, NH:** Site Plan and permitting for 244,000sf distribution center and warehouse. Responsible for management and design in overseeing industrial land development project. Design tasks include site layout, grading, drainage, Storm Water Pollution Prevention Plan (SWPPP), and local, state and federal permitting.
- **PSNH, Malvern Street Substation, Manchester, NH:** Site Plan and permitting for upgrades to Malvern Street distribution substation. Responsible for management and design in overseeing industrial land development project. Design tasks include grading, drainage, and local permitting.

Mayor Ted Gatsas
One City Hall Plaza
Manchester, NH

RE: Conservation Commission

Mayor Gatsas,

I am interested in serving as a member of the Manchester Conservation Commission. My background in civil engineering as well as some fifteen years spent on the City's Planning Board afford me skills which are a very good fit for this commission.

Attached is my resume for review. Thank you for your consideration.

Sincerely,

Peter D. Capano, PE

354 Ash Street
Manchester NH 03104-3205

cc: Ms. Pamela Goucher

Peter D. Capano, P.E.

July 18, 2014

Honorable Mayor Ted Gatsas
City of Manchester
Mayor's Office
One City Hall Plaza
Manchester, NH 03101

Dear Mayor Gatsas:

I am submitting my resume for consideration in order to retain a position on the Conservation Commission.

I am a NH resident, born and raised, and lived in Manchester until my 30s. In fact, my family still lives in the house where I grew up in South Manchester. I've recently returned to Manchester to take care of an ailing parent and assist my daughter raising my grandchildren.

During the day, I work for the Society for the Protection of NH Forests as the Land Protection Administrator in the acquisitions department. I also work very closely with the Easement Stewardship Department. I have a Masters in Environmental Studies with Antioch New England. While I lived in Concord, I interned with the Concord Conservation Commission and assisted them in developing their easement stewardship program which is still thriving today. I was also a member of the Commission until I moved back to Manchester.

With two very active grandsons, it is important for me to have them experience the outdoors as I once did. I would like to do this by lending my time and skills as a volunteer on the Commission. I hope that you will consider me for this position.

Thank you.

Sincerely,

Karen Rose

Objective

To garner a position on the Manchester Conservation Commission allowing me to use both my academic training and professional skills in furthering the mission of the Commission.

Profile

Highly organized, competent professional with the ability to take the lead on complex projects and see them through to successful implementation; detail oriented and resourceful with a high level of commitment to an organization's mission; credible work history that reflects integrity, dependability, leadership and compassion. Compassionate and nurturing with outstanding interpersonal and communication skills and a "can-do" attitude.

Professional Highlights

- ♦ Business manager on behalf of the Land Protection Acquisitions Department and Easement Stewardship Departments at the Forest Society.
- ♦ Conduct title research, draft easements, review surveys, and provide extensive GIS support to both departments as well as serve as Project Manager.
- ♦ Operate as Project Manager coordinating the organizational wide accreditation effort on behalf of the Society for the Protection of NH Forests.
- ♦ Developed and implemented a comprehensive Conservation Easement Stewardship program on behalf of the Concord NH Conservation Commission. This program included heavy landowner interaction and education on the aspects of conserving their land as well as adhering to LTA best practices for stewardship.
- ♦ Provided research and analysis support for the NH Environment and Agriculture Committee while conducting research on several NH legislative bills.
- ♦ Researched and developed a clearinghouse on legislative policies, processes and initiatives for the NH Rivers Council.
- ♦ Served on the Development team that solicits and conducts fundraising major gifts on behalf of the Society for the Protection of NH Forests.
- ♦ Conducted research and analysis and made recommendations to improve and create internal policies on behalf of the Society for the Protection of NH Forests.
- ♦ Designed and implemented business plans as a successful small business owner.
- ♦ Created and designed internship possibilities where none existed. Was able to garner the projects, develop and implement to successful completion.
- ♦ Build and maintain professional relationships with high-level volunteers and professionals in each organization I was employed.

Subject: Other

Dear Mayor Gatsas, Listed below is my life experience that would make me a productive member of the city's Heritage Commission. Education: B.A. in Asian History from Bates College (Lewiston ME). M.A. in American History from Rhode Island College (Providence, RI). The thesis topic was ' The Management of Historical Resources by the State of New Hampshire .' Additional graduate studies in archival and museum management at the University of Rhode Island (Kingston, RI) Some of the projects that I did at the two Rhode Island schools included organizing an accession-deaccession file for the Library of the Rhode Island Historical Society, organizing the papers of US Senator John Chafee, do a survey of the holdings of historical groups that specialize in Franco-American history and develop an acquisition policy for a local museum in Rhode Island. Community; I have been a member of the board of directors of many organizations. Three are particularly relevant to service on the Commission ; Friends of the Manchester Library, Friends of the UNH Library and the NH Snowmobile Museum Association I was also a volunteer at the Manchester Historical Association. I have also been active in politics and served eight years in the NH House of Representatives. As a legislator I led a successful fight that made sure that the Commissioner of the Department of Cultural Resources did not have to be a professional librarian. I also served on the city's Safety Review Board and Chair of the Mayor's Railroad Passenger Study Committee. Professional; I have been a professional free-lance writer all my life. For several years I wrote extensively in the antique/collectibles/auction market and many of the articles I wrote for the publications in this sector of the publishing community was about historical topics. I also free-lanced for many local newspapers and a fair number of the articles I wrote for these publications was about historical and related topics. I was also a contributor to the the ENCYCLOPEDIA OF NEW ENGLAND CULTURE, did a guide to genealogical resources in New Hampshire, wrote a reference book that was a history of the use of poetry by American sf/fantasy/horror writers and did an annotated bibliography of the work of Isaac Asimov Some of the articles and book entries that I wrote included antique house restoration in Maine, a history of the Concord Truck, a look at the professional military experience of NH officers at the battle of Bunker Hill, a guide to appraising the value of vintage snowmobiles, a history of snowmobiles, a history of the Colby family in New Hampshire, an interview with EC Comic book legend Sam Kamen and an examination of the Coast Artillery Corp in New England.
